February 15, Vol. 4-6 1964

Executive of the Teen Club. Sitting left to right: Bob Ellis - Member at Large; Karen Ford - Treasurer; Ken Mit-

chell - Chairman of a Sub Committee, Susan Lewis - Secretary. Standing left to right: Andy Nirlin -

Member at Large; George Tucker - President; Wayne Bellisle - Social Convenor; Pat Fontaine - Vice President.

GIVE US A CHANGE !

Give us a chance to what? A chance to get our teen club back on its feet. The group is hard at work planning future events and activities. Some of the things they are planning are outings for the old folk at the Youville Home; fund raising drives for charities; toboggan, skating and skiing parties, hay and sleigh rides; also horseback riding, swimming, wiener roasts, picnics and dances, etc.

The executive has had a hard time to keep the club running and is desperately in need of support both by way of dona-

tions of recreational facilities and financial help. Not only that, but we need the support of the teens themselves and their parents. What the club hopes to do is set up a regular weekly meeting where the members can get together for a social and recreational gathering. We hope eventually to have among other things as table tennis, badminton, volleyball, records and other such activities along with a snack bar. We hope to make this club a real "swinging" affair. Although the club has some very good ideas, and we are only too willing to

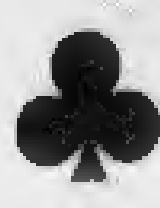

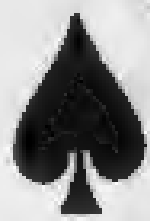

put them to work, we badly need the support of everyone in St. Albert to make it a real success. At the moment, the club is struggling for its very existence, but we are fighting back. Slowly but surely we are turning the tide. We, with your help, intend to get this club moving again and fast, (even if it takes 25 years).

"GIVE US A CHANCE.

GIVE US A HAND."

Anyone willing to lend a hand or has any questions or ideas for the club, call Ken at 599-7819, or George at 599-7402.

RECREATION WOES

Editorial WJH

It became quite clear during the last meeting of Council that St. Albert is still far from a well planned Recreation Programme. This isn't so astonishing on looking back over what has been done in the past 6 years. We have had 3 surveys for Recreational purposes. We've had two temporary Recreation Directors, and we've appointed a Recreation Board. Let's be honest, up to now, not much has come out for general recreation benefits, despite all these activities.

We stated not so long ago, that our town cannot afford to be without organized recreation, because we have so many young families whose children have to play on dangerous streets and in dust and mud. Well considered recreation is a wonderful preventative against all kinds of delinquency. This fact has been proven time and again, not only in Alberta, but all over the world.

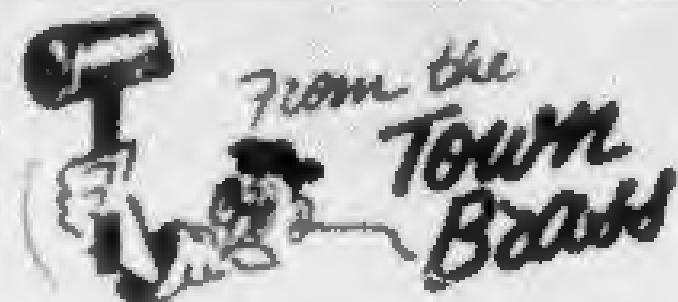

With all our surveys, Recreations Directors, and Recreation Board, we are still no further ahead than we were 6 years ago. "It seems," said Councillor Fowler, "that everybody is waiting for everybody else and that co-operation doesn't work in this field." But this is not the only reason for the failure. The fact that the Recreation Board has no money to build up an all round, solid Recreation Programme, makes it absolutely impossible. Even the \$1,700. spent in salaries and expenses for the two temporary Recreation Directors is, in our eyes, lost money. We ask ourselves why a Recreation Board was appointed if we cannot support it financially. A Recreation Board without money is worthless, but a Recreation Board without a Recreation Director is worse. It is the same as the well known chicken without a head - dead!

Volunteers haven't the time to build up a Recreation Programme in a town of nearly 9,000 population. A job like this must be done by a permanent, full time, qualified Recreation Director, with broad minded ideas, sense of humour, patience and an enormous zest for work. With this kind of a man/woman our Recreation Board would really start to do something. If our town cannot afford to spend the money for a full time Recreation Director, it would be better to forget the whole thing, put it in cold storage until such time as our financial position would make it possible.

We'd like to repeat what we have said many times in the past, that the slogan "Come to St. Albert", can only be boosted if we can offer the newcomers well organized recreation. This would mean a Recreation Director, a Recreation Board and a sound budget for them to work with. Only this can assure all of us a real, continuous recreational building programme. If we cannot give this assurance, we had better change our slogan to read "Come to scenic St. Albert, the new dormitory town, but plan your recreation somewhere else". We wouldn't like this to happen, therefore all of us must sacrifice in order to have a good Recreational Programme in our town. There is no choice, an increase in taxes is the only answer to get the money for this cardinal matter. We know this is not a pleasant proposal, and we don't like to write this, but we can't see any other way, unless the industrial development has a boom. But even modern industry is most demanding regarding sufficient recreational entertainment for their employees on the spot. In many cases, the establishment of industry depends very much on the recreational facilities and activities of the town.

We've talked about recreation long enough. Appointing another temporary Recrea-

continued on page 4

Meeting of Town Council, February 10

Councillor D. Fowler was in the chair in the absence of Mayor Veness.

Community League Proposal Council spent more than an hour discussing a proposal from the St. Albert Community League to bring the Community Hall under the jurisdiction of the town. Council, knowing the financial difficulties of the Community League, suggested that the League be given a grant, but this would first have to be studied by the Finance Committee. During the discussion it was mentioned that the general recreation situation in our town is not what it should be. There are no positive lines "everybody is waiting for everybody else", said Chairman Fowler. Councillor Stewart suggested that perhaps it would be better to appoint a full time Recreation Director now, but Councillor Powell thought that no decision should be made until they know how much money can be spent on recreation in the 1964 budget. Chairman Fowler suggested that a commission be set up to study the whole recreation situation in the town and bring a report within 6 months stating our recreation needs, including facilities.

Tot Lots The majority of the Council felt that the \$22,000. Recreation Grant should be used to equip the tot lots in St. Albert. Councillor DeBruijn felt that the Grant shouldn't be used on just one project. Councillor Stewart moved that the Recreation Grant be used to bring all the tot lots up to date and that this be brought before the ratepayers during the Annual Meeting on February 24. This action was approved. 3 councillors in favour, 1 against.

Civic Holiday A delegation of the St. Albert & District Chamber of Commerce, consisting of Mr. Vince Ratchinsky, Dick McGee and Rudy Scheibelhofer, presented a request to Council regarding the Civic Holiday. Mr. Scheibelhofer pointed out to Council that the Chamber of Commerce

tion Director for this summer programme is, in our opinion, putting good money after bad. Temporary Recreation Directors are only doing their job to earn some money during the summer holidays, but they never will come into the hearts of this town and citizens. And this is just what we need - a co-ordinator, co-operating with our excellent local recreational minded volunteers, organizing them in a permanent Spring, Summer, Fall and Winter Recreation Programme, avoiding overlapping of facilities, equipment and activities, only using the money in a most economical way.

It would be interesting to hear the opinion of our ratepayers regarding a tax increase for recreational purposes during the annual Ratepayers Meeting, this month. It is most important that we do this, because it is a matter of sound healthy town life.

ST. ALBERT CHAMBER OF COMMERCE

ANNUAL BANQUET AND DANCE

PROVINCIAL MUSEUM IN ST. ALBERT ?

The first Annual Banquet and Dance of our very active local Chamber of Commerce was a success. More than 150 ladies and gentlemen attended. The Grace was said by Rev. Fr. Chevrier, O.M.I., Toast to the Queen was given by Cpl. B. G. Lynden. Mayor Veness welcomed the guests and Mr. R. McGee presented the business program, followed by the report by the Finance Chairman, Dick Wheatly. Roy Gilley did an excellent job as Toastmaster.

During his speech, the new president, Vince Ratchinsky presented the President's Certificate to past president R. McGee and flowers to Mrs. McGee.

Mr. Keith Everitt mentioned that he had approached several cabinet ministers regarding the possibility of the Provincial Museum being located in St. Albert, the oldest town in Alberta.

The Hon. A. Russell Patrick, Minister of Industry and Development, said that the Chamber of Commerce takes a very important position in the promotion of industrial development in Alberta. Mr. Everitt's suggestion regarding the Provincial Museum will be given very serious consideration he said, because the historical aspects of St. Albert are an important point in the decision for the location of the museum. He explained what his department was doing. "We promote industry by way of advertising and personal contact. We provide all information regarding the aspects in Alberta, and we also provide the tremendous help of the Research Council. To get industry is not easy. The competition is very keen all over Canada, especially for Alberta. Freight rates play an important role in the decision where industry will be established. We are looking for new ways of transportation because Alberta is so far from the sea ports, and we can't move Alberta closer to the sea. We also do not have the experience in Industrial Development that other provinces have acquired over the years. This experience takes a long time. Our recent trip to Japan is now showing results in that many Japanese industrialists and bank managers are coming to Alberta, and we hope that this will bring industry into our province. Maybe to St. Albert also."

The Chamber of Commerce should be complimented on their well organized first Annual Banquet, which is sure to become an important annual event in our town.

GROWING ST. ALBERT

by Don Perry

St. Albert now faces a future of orderly and unprecedented development. Our Mayor, Mr. Wm. Veness and his Council have proven their worth and we feel certain that they have the ability to govern efficiently. The appointment of Mr. James Gee as Senior Town Administrator gives the Town a man of experience and ability.

Mr. Frank Marilyn of the Edmonton District Planning Commission and his associates have created a masterpiece in planning St. Albert. The beautiful rolling land with its trees makes this town scenically ideal and the Sturgeon River Valley and Big Lake enhances this feature. It is a good town in which to raise a family; suburban living at its best.

Planning is currently contemplated to divert certain rivers into Chip Lake and Lac Ste. Anne to feed into Big Lake. This could create a beautiful lake of sufficient depth for boating, fishing and swimming. Such a venture would create another tourist attraction, among many others in St. Albert, as well as a wonderful source of recreation for the Edmonton area.

Mono-cold Containers Ltd. is a multi-million dollar industrial plant, and is under construction and nearing completion on St. Albert's west side. At present there is another million dollar venture being planned for St. Albert. The land has been optioned and preliminary steps are now underway to complete certain details for the commencement of construction. This enterprise will have a tremendous appeal to each and every resident in St. Albert and will create a major reason for bringing the residents from outside points into St. Albert to enjoy our many retail businesses in one of Alberta's oldest established business areas, or our Shoppers' Park. This will also create an increasing active interest for other enterprises to locate in St. Albert.

The recent demand for large blocks of residential lots from Toronto interests definitely assures us of another year of very active building, much greater than at any time in the past.

During our period of adjustment from individual town manager to Mayor and Council, we had a period of slowing up of building, which our Council found necessary for reasons of policy and adjustment. Despite this, we had an amazing increase in population of 31%. The next largest increase in the Edmonton area is 18%, which would seem to indicate that people in the Edmonton area are becoming

PUBLIC NOTICE

By the Board of Trustees of The
St. Albert School District No. 3
of the Province of Alberta.

Whereas it is deemed expedient by the Board of Trustees of the St. Albert School District No. 3 of the Province of Alberta that the sum of Two Hundred Seventy-seven Thousand Six Hundred Dollars should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in twenty-five consecutive annual instalments with interest at the rate of not more than six per centum per annum for the following purposes namely:

a) erecting a frame railway school to consist of eight general classrooms,

a gymnasium and related facilities at an estimated cost of \$268,600.00

b) providing furniture and/or equipment at an estimated cost of \$9,000.00

c) The building to be erected in Grandin Park Sub-division.

Therefore notice is hereby given by the Board of the said School District that unless a poll of proprietary elections of the said School District for and against the said debenture loan is demanded as provided by the School Act, the said Board will apply to the Local Authorities Board for the authority to borrow the said sum by debentures.

If which all persons interested are hereby notified and they are required to govern themselves accordingly.

George Lee,
Chairman.

continued from page 2

was unable to take the financial responsibility for the setup of the Civic Day any longer. The Chamber of Commerce lost around \$500. last Civic Day. They feel that this Holiday which they have promoted with pleasure in the past, has become a real town affair, and should be backed financially by the town. The Chamber of Commerce will give full support in manpower, but feel that the town should take all financial responsibilities. Chairman Fowler remarked that a serious lack in co-operation between local organizations is one of the main reasons that the Civic Day suffered a financial loss. The profit of all the participating organizations should be put in one pot so that neither the Chamber nor the other organizations has to bear the financial burden. He said that the Civic Day is a wonderful opportunity for all our local organizations to co-operate one a year in promoting St. Albert public relations. Council decided that this request of the Chamber will be studied by the Finance Committee, which will then present its findings to Council for final decision.

MITES HOCKEY LEAGUE

by Gord. Hughes

With the end of a very competitive season in view, may we urge the support of parents in seeing the last few games, especially the play-offs. Our boys are playing top class hockey. Get out and support them. Be proud of your boy. Support his efforts and encourage him.

CREDIT UNION ANNUAL MEETING

The annual meeting of the St. Albert Savings and Credit Union was held on February 3 in the St. Albert Community Hall.

Mr. H. Terrault, president, in the annual report from the board of directors, stated that considerable progress had been made in the past year. The Credit Union is now operating on a full time

basis and in the near future will be relocating in a more convenient location across from the post office. He recommended that a 3% dividend be paid on shares for 1963. In closing, he stated that the desire of the Credit Union is to be of service to the entire community of St. Albert.

Elected to serve on the Board of Directors for 1964 were: Mr. H. Terrault, Mr. M. Dechamplain, Mr. B. Houle, Mr. N.

Koch and Mr. A. E. Giesbrecht. Credit Committee: Mr. H. Vague, Mr. A. Savoie, and Mr. W. Sutherland. Supervisory Committee: Mr. W. G. Boccock, Mr. R. Kambouroff and Mrs. V. Koroluk. Special guests included: Mr. T. C. Symington, Alberta Government; Mr. S. Beryk, Credit Union League of Alberta; Mr. D. Brodrick, Cuna Mutual; Mr. G. Webster, Edmonton Chapter and Mr. W. Thack, Alberta Central Credit Union.

ALBERTA

RECR. ASSOCIATION

ZONE 3

An Alberta Recreation Association Zone No. 3 meeting was held in St. Albert on Thursday, January 30 and was attended by 35 persons connected with or interested in Recreation.

There were representatives from St. Albert, Jasper Place, Drayton Valley, Vegreville, Mannville and Edmonton. Also attending were Mr. Thomas Coffey of the Public School Board and Mr. H. Armstrong Secretary Treasurer of the Separate School Board of St. Albert, Miss Elsie McFarland and Mr. Jack Riddell of the Recreation and Cultural Development Branch, Provincial Government.

The delegates were welcomed to the Town of St. Albert by Mr. J. Gee, Secretary

Treasurer of St. Albert, on behalf of the Mayor, Dr. Cuts, a member of the Recreation Board of St. Albert, Mr. Brian Andrews, President of the Alberta Recreation Association and Director of Maintenance at the City of Edmonton Parks and Recreation Department, and Mr. Marti Bodnar, Zone Director and also from the Edmonton Parks and Recreation Department. A general business session which dealt with the clarifying of some organization and responsibilities was held in the morning. Financial and nominating committees were formed.

Members of the Zone are concerned about Family Recreation and have taken this theme as a project. A Family Recreation Committee was set up.

In the afternoon Miss Elsie McFarland, Supervisor of Community Program, Recreation and Cultural Department Branch, spoke on the Family Conference which is under the sponsorship of Governor-General Vanier and is to take place in June of this year in Ottawa. The Conference is planned on several papers which will be evaluated to Conference delegates

prior to the meeting and will deal with all aspects of family life.

Mr. Jack Wright, Superintendent of the City of Edmonton Parks and Recreation Department, introduced the guest speaker who was Mr. W. H. Pettigrew, Assistant General Secretary at the Y.M.C.A. Edmonton and a member of the National Physical Fitness Council. Mr. Pettigrew began by explaining how the Fitness Council was formed and what its objectives were. He then continued his talk on Planning for a Family Recreation Program and the importance of survey. The speaker was thanked by Mr. R. Block Supervisor of Community Program, City of Edmonton Parks and Recreation Department.

Delegates were then given an interesting tour of St. Albert, provided by the Separate School Board, the emphasis being on School and recreational facilities. The day's session finished with recommendations, one of which being, that the executive committee be able to visit other municipalities, at request, to assist in activity program such as Recreation Day or Week.

Growing St. Albert continued from page 4

"St. Albert wise". It is easy to conceive and anticipate a much greater population increase and general overall economic growth in the coming year than at any other time.

The present population is well over 8000 and this, combined with the Municipal Districts and surrounding areas of over 20,000 residents, gives St. Albert many customers for all businesses. Nine p.m. shopping entices many from Edmonton to our local stores.

The acquisition of over 900 acres of beautifully rolling land on St. Albert's eastern area assures us of facilities for an increasing population of another 12,000 residents. This land has been acquired by Golden Construction Ltd. and George Golden's ability to build superb homes is going to give St. Albert one of Canada's finest planned residential communities. This project is yet a few years off, but we are assured that this development will be second to none and a credit to our Edmonton and St. Albert areas.

St. Albert was originally planned to support 30,000 people, but this Golden building venture will make this total over 40,000 people. It is obvious that St. Albert has enough surrounding land and all the amenities and advantages for many times this number of persons. St. Albert promises to become Alberta's third largest community, exceeded only by Edmonton and Calgary. It is a good place to live, come and see for yourself you will be cordially received and welcomed by all.

LOCAL RESIDENT PASSED AWAY

Mrs. Bruce MacDougall, a resident of St. Albert, passed away on Sunday, February 2, at the University Hospital, Edmonton. Mrs. MacDougall, formerly Barbara Lucia Monteleone, was born in South Porcupine December 24, 1933, the daughter of Mrs. F. Monteleone and the late Mr. Monteleone.

She married Bruce MacDougall on November 3, 1956 at London, Ontario. They resided in London until 1958 then moved to Edmonton.

In 1961 they moved to St. Albert. The past two years, Mrs. MacDougall was suffering from chronic nephritis. She was a kind and loving wife and a true and trusted friend.

Surviving are her husband Bruce, and three small children, Brian, Brenda and Lori, her mother Mrs. Monteleone, St. Albert, three brothers, Samuel of Niagara Falls, Michael of Toronto and Francis of Cold Lake.

The body rested in the Connely & McKin-

Sponsored by the St. Albert and District Community League.

DATE: Saturday, February 22, 1964.

TIME: Commencing 2 p.m. (lasting approximately 2½ hours)

PLACE: Grandin Park Rink - St. Albert.

A Queen will be chosen by the sale of tickets throughout the schools. Three girls will be selected from the three districts: Grandin Park, Mission Park and Sturgeon Heights.

Master of Ceremonies will be Mr. Rudy Scheibelhofer.

Programme

1. The Queen will enter the rink with 6 Cub scouts as her escort and will be taken to the Dias. She will be crowned by a local dignitary.
2. Twenty minutes of hockey by either Mites or Bantam teams.
3. Drawing of the first lucky ticket. (radio)
4. Girls figure skating.
5. Costume parade: (3 sections)
 1. Pre-school and 1st Grade
 2. Grades 2 to 9 Ages 7 to 15 years.
 3. Age 16 toAdults included.
6. Second lucky ticket draw.
7. Twenty minutes of speed skating and barrel jumping.
8. Professional figure skating.
9. Go-Cart racing on ice.
10. Third lucky ticket draw.
11. Twenty minutes of Senior hockey.

lay Funeral Home with vespers on Tuesday evening at 8 o'clock.

The requiem mass at 10 a.m. was sung by Fr. Chevrier, O.M.I., pastor of St. Albert parish, with responses sung by Fr. Morin. Interment was in the cemetery of the parish church.

The many flowers and mass cards received showed the high esteem in which the deceased was held.

SUNDAY PROGRAM AT THE EDMONTON PUBLIC LIBRARY

On Sunday afternoon, February 16, from 2 to 3 p.m., the Public Library continues its recorded series The History of Music in Sound. This week examples of chamber music by Faure, ballades for piano by Liszt and Brahms, music transcribed for piano by Schumann, Liszt and Grieg as well as examples of German, Russian and French song constitute a final look at the qualities of Romantic music of the period 1830-1890.

Films, Sunday, February 16 at 2 p.m.

Lake District The Lake District, an unspoiled region of mountains and lakes in the Northwest of England, is a national park where climbing, walking, sailing and fishing can be enjoyed by visitors. For some, it is the shrine at which pilgrims may pay homage to Wordsworth, who

found much of his inspiration here. The commentary is spoken by Michael Redgrave Festival in Edinburgh Views of the city of Edinburgh precede showing of important exhibits and performances in many arts. There are parades, concerts, choral and stage performances, and displays of paintings, shown against backgrounds of the city and the people who attend the festival.

CHERCHEZ LA FEMME

by
Joanne
Peterson

The Party Line

This week we bid bon voyage to Mr. H's girl Friday, better known to you as the originator of *Cherchez La Femme*, Mrs. Merle Vacirca. Wish we were in her shoes instead of trying to find them here at home. She has promised to send some of the highlights of her visit to Italy which we look forward to soon. One of Merle's primary interests is fashion, and Italy being a leader in this field, lends us the opportunity of getting first hand information. Even tho' most of us must be content with last year's outfits, it's nice to know what "they" will be wearing. Isn't it?

This is Merle's second visit to Rome, having gone there as a bride and residing there over a year. This time she takes precious cargo — namely, Amy 4 years, Frances 3 and Paul 1½, their visit anxiously being anticipated by Grandma and family. Merle's husband, Mario, plans to join them in a month's time.

Happy holiday, Merle, and we'll do our best to fill the bill back home with your host of friends and relatives.

CLUB NOTES

The Annual, 30th Anniversary, the St. Albert Ladies' Curling Club was played Wednesday, Thursday and Friday of last week. A Georgasborg banquet was enjoyed by the 24 teams on the first day. Chairman of the Social Committee, Mrs. K. Menrose and club members who assisted her, deserve a bouquet.

The raffle for a "Party Perculator", ably managed by Mrs. Annette Hauptman, was well received, and the draw was won by Mr. Gary Urban of Edmonton.

Those who were not in attendance missed a colorful display of first class curling. Seven games were decided in extra ends and many more on the last rock. The executive offer congratulations to the winners and hope they will be back to defend their titles next year. We are sure many who weren't successful will be back to battle in '65.

The Grand Challenge Trophy sponsored by Gateway Building Supplies Ltd., was presented by Mr. Casey Anderson, general manager of the firm to the winners from the Avenue Curling Club, Edmonton — Mrs.

Continued on page 12

Cherchez La Femme, Mrs. Merle Vacirca, with her family, greets her replacement Mrs. Joanne Peterson, leaving for Italy for a 3 month holiday.

UNITED CHURCH

Events for the Week February 12-19
Wednesday, Feb. 12 Confirmation Class at the Manse, 31 Sunnyside Cres. 7 p.m.
Thursday, Feb. 13 Tyros, 6:30 p.m. in the church.

Friday, Feb. 14 Choir, 8 p.m. at the Petherbridge residence, 76 Sunset Blvd.

Saturday, Feb. 15 Triple M 8 p.m. is for adults, Mr., Miss, and Mrs. A panel on the aims and purposes of Triple M will be held followed by a fellowship hour.

Sunday, Feb. 16 Morning Worship 9:45 a.m. in the church. This will be the first service in the 1964 Lenten Series. The Sacrament of Infant Baptism will be observed. Nursery, Tiny Tots and Church School (up to Grade 2) will meet at 9:45 a.m. Church School Grades 3-9 will meet at 11:15 a.m.

Tuesday, Feb. 18 Explorers after school in the church. C.G.I.T. at 7 p.m. Adult Bible Study will meet at the Manse at 8:30 p.m.

On Sunday, February 9, the Morning Service was conducted by members of the Youth Groups of the Church as Youth Week was being observed. Members from the Tyros, Explorers and C.G.I.T. conducted the service and two members of the H.C. Joan Thibault and Alan Blackie preached the sermon. Their theme was "Where are you going?" They contrasted the modern and ancient understandings of vocation and contrasted vocation, the "calling", with occupation. The congregation was called upon to recognize

their "vocational" responsibility to be Christians whatever their "occupation" might be. Miss Thibault spoke of her training at Naramata as preparation for vocation whatever her occupation in life might be.

Senior Choir Rehearsal

Instead of its usual Thursday rehearsal the United Church Choir will meet Friday February 14, at the home of Mr. & Mrs. D. Petherbridge, 76 Sunset Blvd. Promptly at 8:15 the tape recording of the choir's Christmas performance of Handel's Messiah will be played. Husbands and wives are invited to join us for this occasion.

ANGLICAN CHURCH NOTICES

Lenten Mid-Week Services

Ash Wednesday February 12, 7:30-8 p.m. at the Paul Kane High School.

Penitential Service and Meditation.

Mid-week Prayers and Bible Study held on each of four Wednesdays: Feb. 19 and 26; March 4 and 11, at 49 Balmoral Drive. Subject "The Epistle to the Romans". Time from 7:30 to 8 p.m.

Annual Confirmation Service Wednesday, March 18 at 8 p.m. Choir, Reception, Refreshments. Meet the Bishop.

Good Friday 10 a.m. Litany, Hymns. Address at Paul Kane High School.

KEEP LEVY BY PRAYER Sunday and mid-week services. Mid day services in the Cathedral.

Sundays in Lent 9:30 a.m. Holy Communion 11 a.m. Morning Prayer. (Choral Communion the third Sunday of the month. We commend especially the opportunity for quiet prayer and communion at the 9:30 a.m. Eucharist. One parent may easily attend and return home in time for the other to attend at 11 a.m. with the children.

Sunday School and Nursery at 11 a.m. each Sunday.

PRESBYTERIAN CHURCH

The worship next Sunday, February 16, will be conducted by Rev. J.E. Bigelow.

Mid Week Lenten Services will be held at the Westmount Presbyterian Church this Friday at 7:30 p.m. and each Friday evening throughout Lent. The theme of the meditations will be "The Judges of Jesus". This week we will consider "Judas". The offerings will be directed to Inter-Church Aid, Refugees and World Service. You are encouraged to attend these services as a part of your preparation for the observance of Easter.

SEPARATE SCHOOL BOARD ANNUAL MEETING

The Annual Meeting of Electors of the St. Albert Protestant Separate School District No. 6 will be held on Thursday, February 13, 1964, at 8 p.m. in the Paul Kane High School.

WHAT'S COOKING?

FAVOURITE RECIPES FROM ST. ALBERT WOMEN

Jello Custard Dessert

Use a pan 9" x 12"

1. Make a graham wafer crust, using 16 to 20 wafers, $\frac{1}{2}$ cup butter (melted). Pat in pan and set in refrigerator.
 2. Dissolve one package of lemon jello in 1 cup boiling water or hot fruit juice. Cool in large bowl.
 3. Custard 2 lemons, juice and rind 1 cup sugar 8 egg yolks, beaten well.
- Method Mix sugar and juice in top of double boiler, add rind. Stir in beaten egg yolks. Cook until thick. Cool. Beat 8 egg whites until they stand in peaks. Fold cool custard in jello mixture. Fold in egg whites. Pour this over the graham crust. Sprinkle with a little more crumbs. Set in refrigerator. Serve in squares with or without whipped cream.

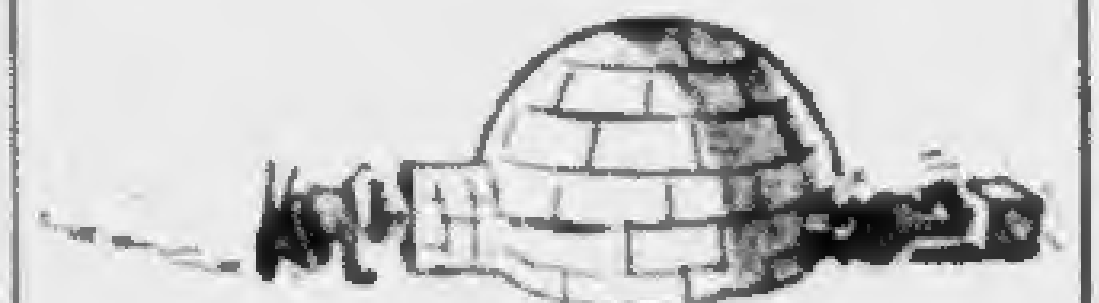

Crushed pineapple or chopped glace cherries or nuts may be added if desired.

Mrs. T. Feil

Apple Raisin Bread Pudding

- 2 Tbsp. butter
 - 3 tart apples, peeled, cored & grated
 - $\frac{1}{2}$ cup raisins
 - 5 slices day-old bread
 - soft butter
 - 2 cups milk
 - $\frac{1}{2}$ cup sugar
 - 2 eggs, beaten
 - 1 tsp. vanilla
- Heat oven to 350F.
Melt butter in skillet. Add grated apples and cook 5 minutes or until tender. Add raisins and cook a few minutes longer until raisins are plump.
Trim crusts from bread and butter each slice generously. Cut into $\frac{1}{2}$ inch cubes and put into buttered 2 qt. casserole. Spoon apple-raisin mixture over. Scald milk and add sugar, stirring until dissolved. Stir hot milk gradually into beaten eggs, stirring constantly. Add vanilla. Pour over bread and fruit and blend lightly with a fork.
Bake about 35 min. or until top is brown. Serve warm, either plain or with lemon sauce.

Mrs. Bradford

"Yeehee, darling! I'm home!"

LIONS DISTR. GOVERNOR

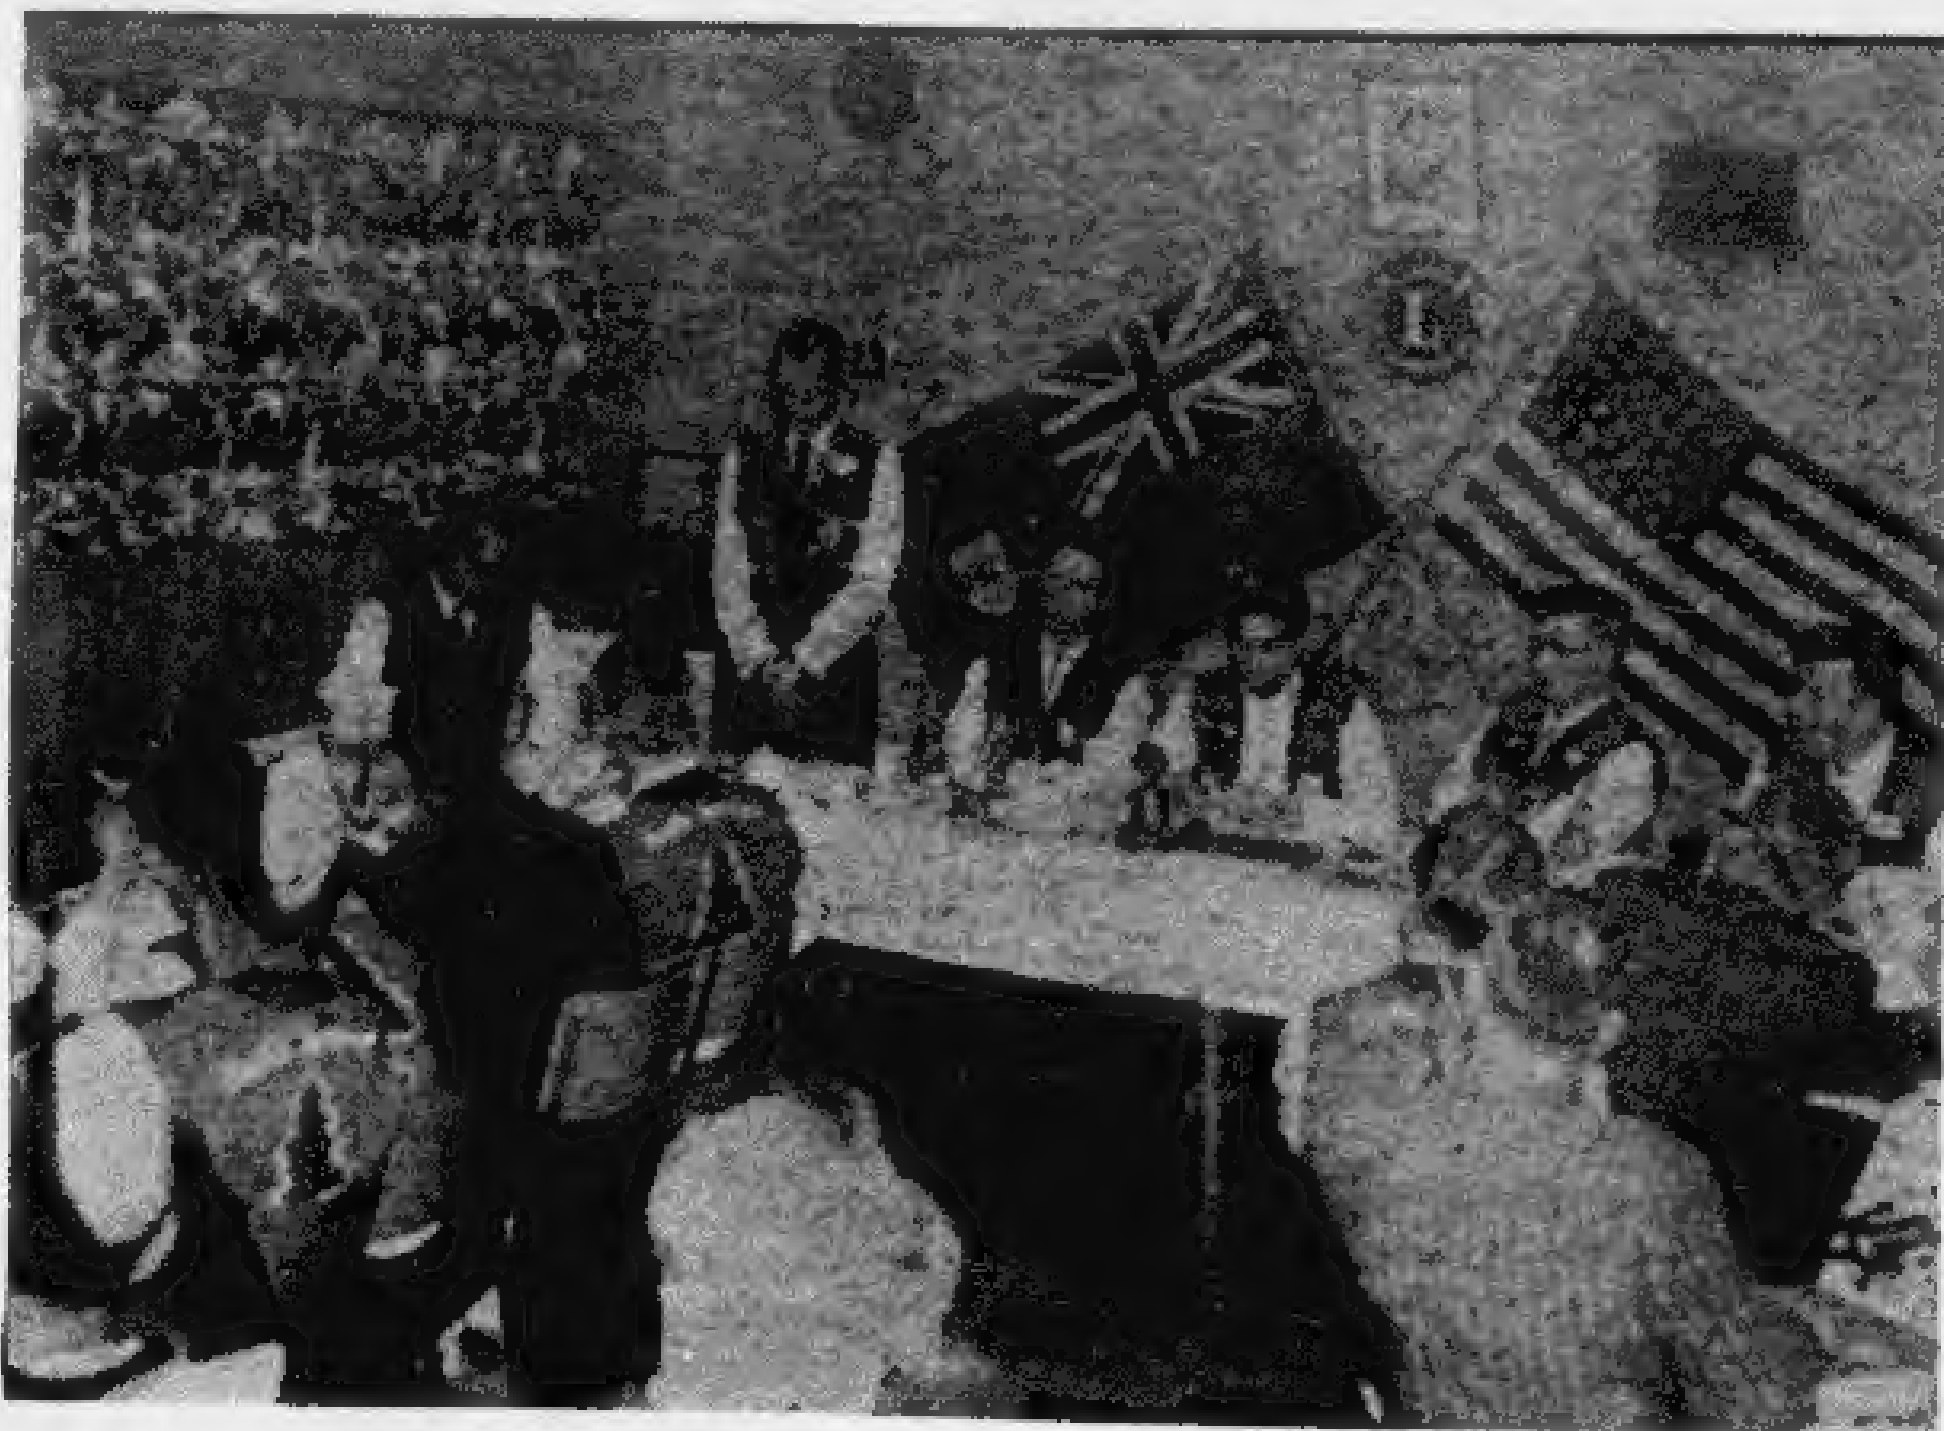

INDUCTS NEW MEMBERS

The St. Albert Lions Club was honored by a visit from District Governor E. Holmgren at a regular meeting Tuesday night. During the course of the meeting, the District Governor inducted several new members into the club. The highlight of the evening was his talk, entitled "Lionism at the International level"—an

insight into what is required to operate the world's largest service organization of nearly 7,000,000 members.

Lion Bert Swaine, in thanking the District Governor, presented him with a memento of the club in the form of a satin pennant.

If there are any problems, phone 599-6341.

District Governor, E. Holmgren during his speech to the St. Albert Lions Club.

"All I remember about the Costa Brava is it costa pocket!"

"Anyone ever told you you've gotta smoshin' right...?"

"There's a queue, you know—or hadn't you noticed?"

Lions' District Governor Holagren's address was most interesting as can be seen by this attentive audience at the last meeting of the St. Albert Lions Club.

Never too late to stop smoking Expert on lung cancer says

TORONTO — If cigarette sales were not a major part of the Canadian and U.S. economies the fact that smoking is the major cause of lung cancer would be widely accepted, a leading U.S. cancer researcher said in Toronto.

Dr. Oscar Auerbach, associate professor of pathology at New York Medical College, said he had never seen a case of lung cancer in a man in which the victim had not been a heavy smoker.

"Cigarette smoking is the cause in 99.9% of all lung cancer cases," he said emphatically. Yet the dollar sign still overshadows medical facts, he said. Dr. Auerbach was the first speaker in a series of three weekly seminars on cigarette smoking and lung cancer sponsored by the adult education committee of Fairlawn United Church.

If it were not for the fact that the cigarette industry had so much money riding on the continued and increased use of cigarettes there would be no dilemma, Dr. Auerbach said. "Every scientific report done without bias or prejudice has come to the same conclusion," he added.

Dr. Auerbach, who is also senior medical investigator at the Veterans Administration Hospital in East Orange, N.J., said tests of tissues from 758 lung cancer victims showed it was never too late to stop smoking.

The speaker, who gave up smoking in 1955, showed slides of sections of smokers' bronchial tubes in which cells

Dial Courage

by
Paul Rheame, St. Albert

There's a life for every being,
In his own and special way
Just like there's a sunrise,
And a sunset every day.

There's a tune to every melody,
Like a song in every heart,
When one has made a good beginning,
When one has made a start.

There are moments of depression,
We get that once in a while,
But the number that's called COURAGE
Is the number we should dial.

in the tube walls had multiplied nine and ten times, had become irregularly shaped and threatened to break through the tube wall. Cilia, the hair-like tentacles on the outside of the tube that remove impurities, had been wiped away.

Dr. Auerbach said these were the results of continued, heavy smoking. However, matching slides of bronchial tube sections from persons who had smoked heavily for at least 10 years and had given it up for five showed a regeneration of defective tissues.

"Just ask individuals who once were heavy (two pack-a-day) smokers and then gave it up," Dr. Auerbach said. "In a short time their cough and their need

Smile My Friend

by
Paul Rheame, St. Albert

What profit is there in looking gloomy,
And being down-hearted all the while?
Don't you think it's easier to be happy,
Don't you think you'd better smile?

What do you get by always pondering,
Over the worst that can happen to you?
Isn't it easier in the end,
To keep the beat in view?

People get tired of doleful looks,
Why don't you grin in its place?
You know - a smile will work wonders,
Try it when you see a frowning face.

to expectorate incessantly disappears."

Some of the ex-smokers in the research Dr. Auerbach had done were in their 80s, he said, refuting the argument that it was too late for aged smokers to quit.

The lung cancer death rate attributable to cigarette smoking had lagged among women, but was quickly catching up with the rate among men, Dr. Auerbach said.

The group he studied had been smoking for 25 years on the average, but it was only recently that women began smoking in greater numbers and that women smokers inhaled. "In a decade we will see more in women unfortunately because girls are smoking as prolifically as men and are inhaling," Dr. Auerbach

"Okay! So he invented the bow and arrow, but what's he done since?"

"Monsieur Philippe, number four here has got banged up again."
